Offered For Sale:

A 65' 1953 Expedition Yacht with an active Fishing Charter Business

This is a wooden Tug style vessel that has cruised the inland waters between Alaska and Vancouver since new. Built in 1953 by Star Shipyards in Westminister British Columbia and upgraded to serve as a fishing expedition charter yacht, she has an 18 ft. beam, 9 ft draft and weighs 100 tons. Heavily built with an eight-inch-thick reinforced Douglas fir hull she is a solid and stable platform with a CSI certification for charter and fishing.

As such, she also offers significant opportunities for winter commercial charter operations for

exploration, mining and government work.

The Vessel has spacious decks and can accommodate up to 15 passengers and crew. Guest cabins are comfortably heated and appointed with double bunks. Other features are a large pilothouse, salon, dining galley, library, bar, ample hot water, TV with VCR, and washer-dryer. Upgraded with the latest in navigation and safety equipment, the package also includes (4) 18' extra wide Aluminum center console skiffs with 75 hp Mercury outboards, electronics, and extensive fishing tackle inventory.

The Business package includes the current operating crew: Captain/guide, Fishmaster/guide, Chef and Stewardess, as well as currently deposited bookings for the 2007 season.

Price: With Business:
Negotiable/under US\$ 1 Million.
